BOXER LOW FLAIL MOWER

Flail mower with hopper - Efficient mowing and collecting

The Boxer LOW flail mower with collection bucket is specially designed for simultaneous mowing and collection of grass, leaves and light clippings. This robust flail mower is ideal for maintaining sports fields, orchards, camping sites, riding stables and public green spaces.

The Boxer LOW is suitable for tractors from 20 to 50 hp (15-37 kW) and can be equipped with both blades and hammer flails.

LOW 120: €2,665.00

LOW 160: €3,275.00
