BOXER VM XL SWEEPER

Powerful and Robust Sweeper for Professional Use

The Boxer VM XL sweeper is the ideal solution for those looking for an efficient and durable sweeper for tractors. This sweeper is specially designed for thorough cleaning of streets, yards, halls, car parks and other paved surfaces. Thanks to its robust construction, fully galvanised finish and advanced hydraulic drive, the Boxer VM XL offers excellent performance and long service life.

VM260 XL: €6,480.00
