BOXER HK WOOD CLAMP

The Boxer HK76 wood clamp is designed for picking up and moving logs, branches and other wood material. The clamp has a width of 74 cm, a height of 76 cm and a depth of 76 cm when closed. In the open position, the clamp is 107 cm high, providing enough space to handle larger quantities of wood.

The HK76 is hydraulically operated and ensures a firm grip during transport.

Available with W or Euro connection for mounting on compact wheel loaders

HK 76E: €1,465.00

HK 76W: €1,465.00
